

## **Physician Hospital Alignment**

*for Central Oregon*

*Good medicine for health care.*

### **Physician Hospital Alignment Mission Statement**

Our mission is to be a unified, principles-based group of physicians that works with Cascade Healthcare Community and other partners to build a physician-directed, community-based health care system in Central Oregon that will improve the health of our community, enhance the patient care experience and reduce or control the cost of care.

### **Physician Hospital Alignment Code of Conduct**

We will abide by the principles of trust, mutual respect, accountability and loyalty to the group as a whole.

### **Statement of Commitment by CHC Board of Directors**

“The Cascade Healthcare Community Board of Directors commits to co-create a community-based, physician-led health care system in Central Oregon that aims to enhance the patient care experience, improve the health of the population and reduce or control the overall cost of care by working with physicians, caregivers and community partners who are aligned with these goals.”
